

What people have to say about us!!!

Thank you so much! They were fantastic educators and it was a valuable learning experience for us all!" *Primary Teacher, Diggers Rest PS*

"The suggested programs by the CERES Incursion organiser were excellent and appropriate both to age and situation of our school!" *Primary Teacher, St Martin De Porres Laverton*

"The facilitator's enthusiasm and understanding of how to engage young children. The children talked about Responsible Robbie and Wasteful Wendy for many sessions after the presentation" *Kindergarten Teacher, Fordham Av. Kindergarten*

"The hands on aspect of the program was excellent. The students were completely engaged. The experiments were great and not easy for us to setup at school ourselves".
Primary Teacher, Coatesville Primary

There were a variety of activities to get the students involved, placing responsibility onto their actions and their consumption" *Secondary Teacher, Shelford Girls Grammar*

"The CERES Incursion was fantastic. The children are still talking about water saving. Since then, we have also bought a water tank, which extends on the children's learning".
Kindergarten Teacher, Auburn Childcare and Kindergarten

"Our favourite part was getting a chance to work with our team about their specific goals for the rest of the year- the Action Plans" *Secondary Teacher, Frankston High School*

"It enabled us to take insight and initiative to revive our will to save the environment".
Secondary Teacher, Westernport Secondary

The whole presentation was excellent. In terms of the students, they really enjoyed the activity of being 'assigned a country and trying to share the resources available".
Primary School Teacher, Caulfield Grammar School
